**The math behind
the thrill.**

The numbers don't lie.

Behind the iGaming experiences we provide are hard numbers.

Below you'll find some of them, showcasing how the thrilling **Mystery Drop™** feature works wonders for operators that participate in our **Network Promotions**.

265% increase in Bet Sum

248% increase in Game Rounds

163% increase in Unique Active Players

Control your win.

Adapting a **complete and coherent strategy** is necessary to **maximise** the results of the **Network Promotion**. Enjoy the influx of players in your casino by:

- **Enhancing** your lobby with banners
 - **Highlighting** featured games
 - **Updating** promotional materials
 - **Engaging** through newsletters
 - **Leveraging** social media
- 

To enhance the promotion's **effectiveness**, it's crucial to incorporate visually compelling materials on your website and provide our games with **prime visibility** in the lobby.

Gain. Again and again.

Rewarding experience makes everyone a winner.
