**The math behind
the thrill.**

The numbers don't lie

Behind the iGaming experiences we provide are hard numbers.

Below you'll find some of them, showcasing how the thrilling **Mystery Drop™** feature works wonders for operators that participate in our **Network Promotions**.

265% increase in Bet Sum

248% increase in Game Rounds

163% increase in Unique Active Players

How to maximise your gains

Adapting a holistic strategy guarantees your casino transforms into a bustling centre for players in pursuit of thrills and rewards.

- Enhance your lobby with banners
- Highlight featured games
- Update promotional materials
- Engage through newsletters
- Leverage social media

To enhance the promotion's effectiveness, **it's crucial** to incorporate visually compelling materials on your website and provide our games with prime visibility in the lobby.

Gain. Again and again.

Rewarding experience makes everyone a winner.
